The Tree House Campaign to Support Our Youth

Dear Cody,

February is the month of The Tree House Campaign to Support Our Youth. During the month of Feb. we are asking you, our supporters, to support the over 1,000 individual youth we served in 2009 by helping us to raise \$25,000. We need to achieve this amount to be able to serve each and every one of these Mesa County kids in 2010.

Will you please consider a donation again this year? The recommended donation levels for this campaign are \$250 and \$100. Or we would ask you to consider a \$25 per month pledge if it is more convenient. A gift in any amount will be accepted and appreciated.

You may donate by either going to our website at www.TreeHouseGJ.org/support.html or you may mail a check marked "Support Our Youth" to 1505 Chipeta Ave. GJ, CO 81501.

Thank you for your always gracious support.

Serving our youth with you in 2010,
Cody Moore
Executive Director

Trigger the Bonus!

A gracious donor has challenged The Tree House through this campaign to increase our social media and e-newsletter presence.

They have pledged to **double the size of the college scholarship** which one of our teens will win this year if we meet the challenge by Feb. 28th!

In order to do so **we must accomplish at least one of three goals:**

1. Hit the 1,000 fan level on our Tree House Facebook page
2. Hit the 1,000 follower level on our Twitter page
3. Have any one of our weekly e-newsletters in Feb. forwarded 1,000 times (this newsletter counts!)

You can help us to unlock this scholarship gift for one of our teens by inviting FB and Twitter friends to join our pages and by forwarding this newsletter!

Your Gift Makes a Difference to "Cindy"

This past fall "Cindy" (name changed) had been attending our Kids Kabana afterschool program at the downtown site. She was a normal young teen, but she seemed depressed. One of our staff members took special notice of her and began to get to know her. Eventually it came out that Cindy's mother was using Meth again and things at home were getting kind of rough. In fact, Cindy never wanted to go home, and that's why she spent so much time at The Tree House. The staff member appropriately brought this problem to the director's attention, and we began to mentor Cindy through this tough time. We are still here for her. My question is, what would Cindy do if she didn't have a safe place to go like The Tree House? I don't know what would happen, but our mission includes helping kids like her dealing with rough situations.

How to Make a Difference

Please Help us to reach the goal of \$25,000 by February 28th. Go to our website at www.TreeHouseGJ.org/support.html to donate or mail a check marked "Support Our Youth" to 1505 Chipeta Ave. GJ, CO 81501.

Every gift counts. You can make the difference for teens right here in Mesa County.
